

Cape Jourimain Camp Registration – 2019

Cape Jourimain Nature Centre is hosting 4 days of summer camp this year! Each day will run from 10:00AM-4:00PM and have a different theme. Camps are open to participants from ages 6-12.

Monday, July 8 - Lighthouse Extravaganza

Join us for this special camp day as we celebrate the 150th anniversary of the Cape Jourimain Lighthouse. Participants will discover how a lighthouse works, get a sneak peek inside, enjoy an on-site picnic, and even have the chance to build their own custom lighthouse.

Monday, July 15 - Land & Sea

Take on the role of an intrepid explorer as you set out into the natural world of Cape Jourimain. You'll learn about the many plants and animals that live above the ground and below the waves on this amazing and wild journey.

Monday, July 22 - Wild Wetlands

Join us on an adventure as we learn about the submerged world of wetlands. Unravel the secrets of this mysterious ecosystem as you discover the difference between swamps and marshes, analyze how wetlands form, and learn about the many strange creatures that lurk in the muck.

The afternoon session will be led by a special guest from Ducks Unlimited.

Monday, July 29 – Sustainable Me!

In our final day of camp, you'll learn about the destructive power of climate change and discover innovative strategies for reducing your ecological footprint and living more sustainably.
